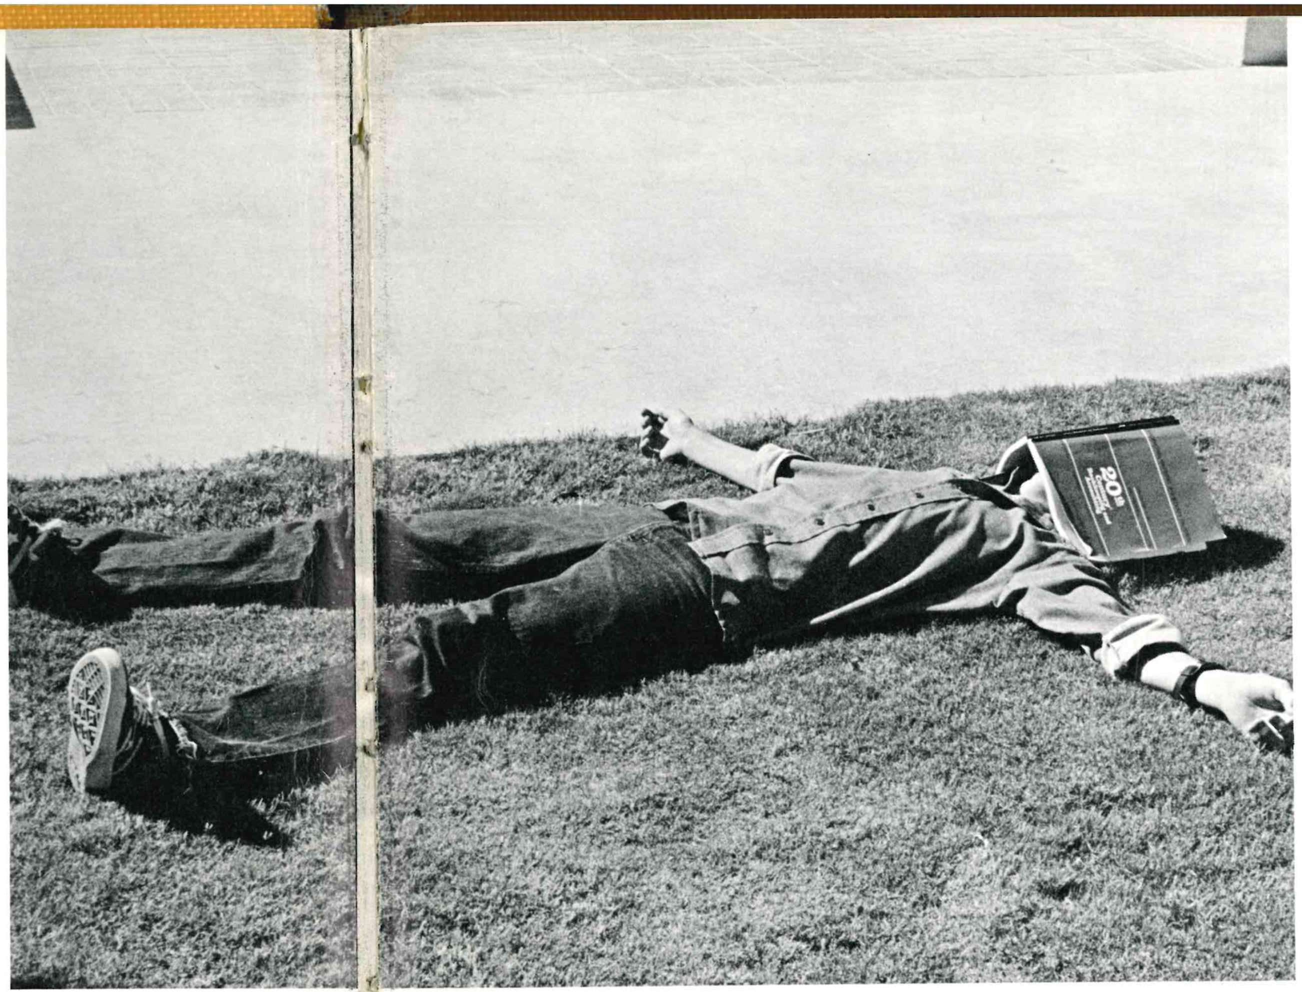
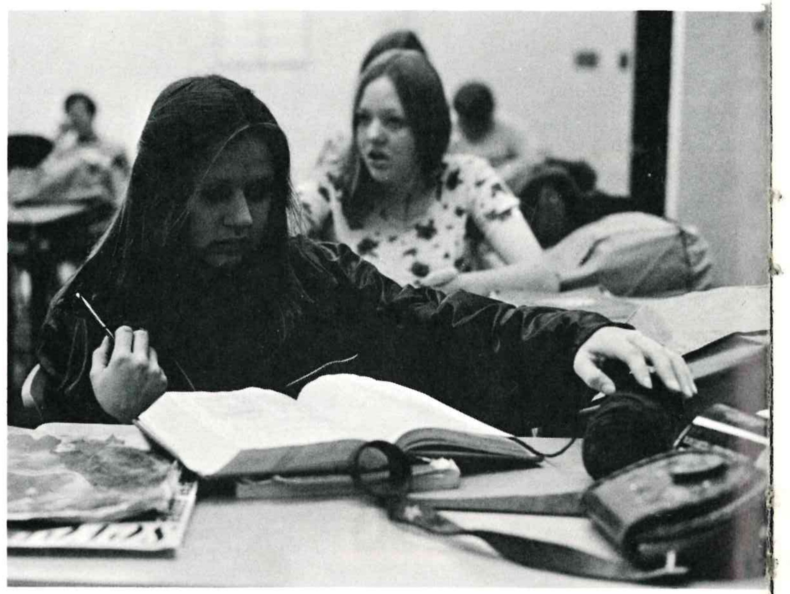
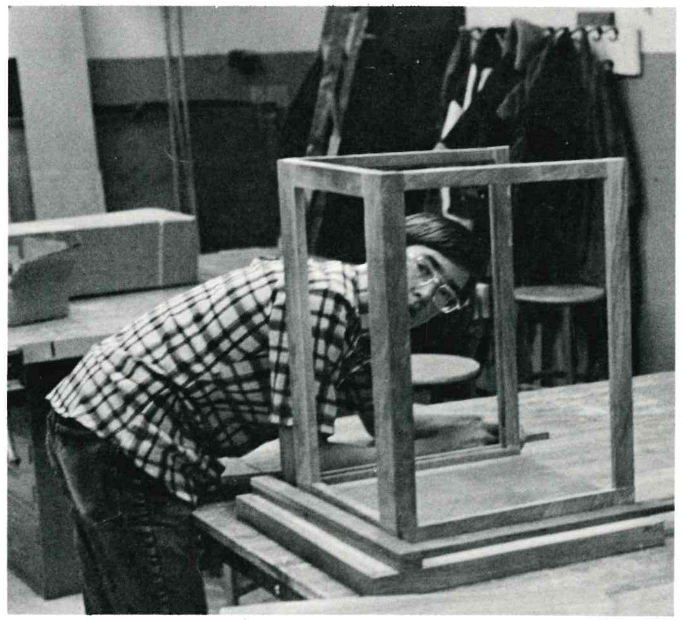
This end up



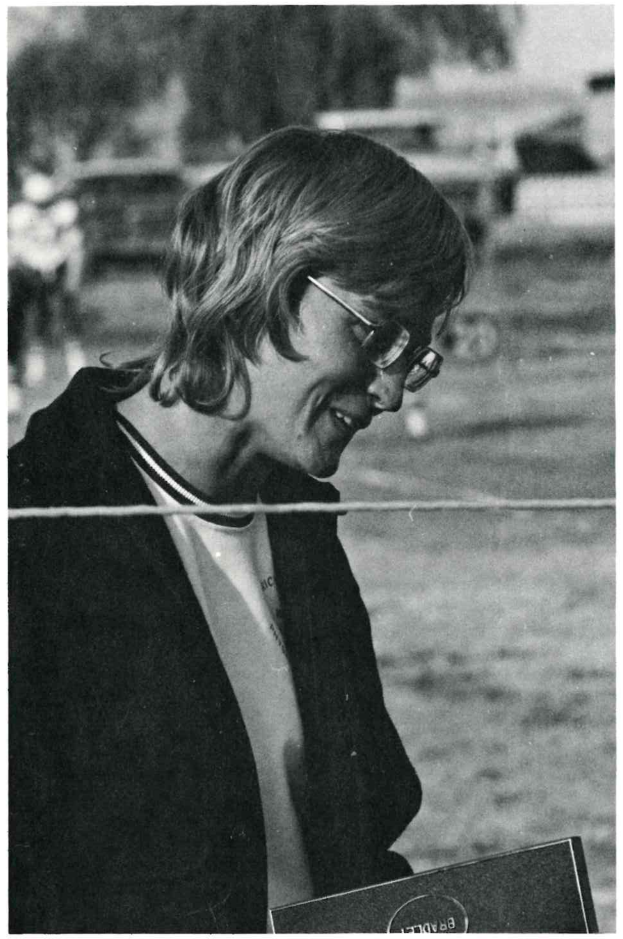
Behind you is a mountain
Of experiences already scaled.
Ahead of you - the future;
You are the holder of its destiny.



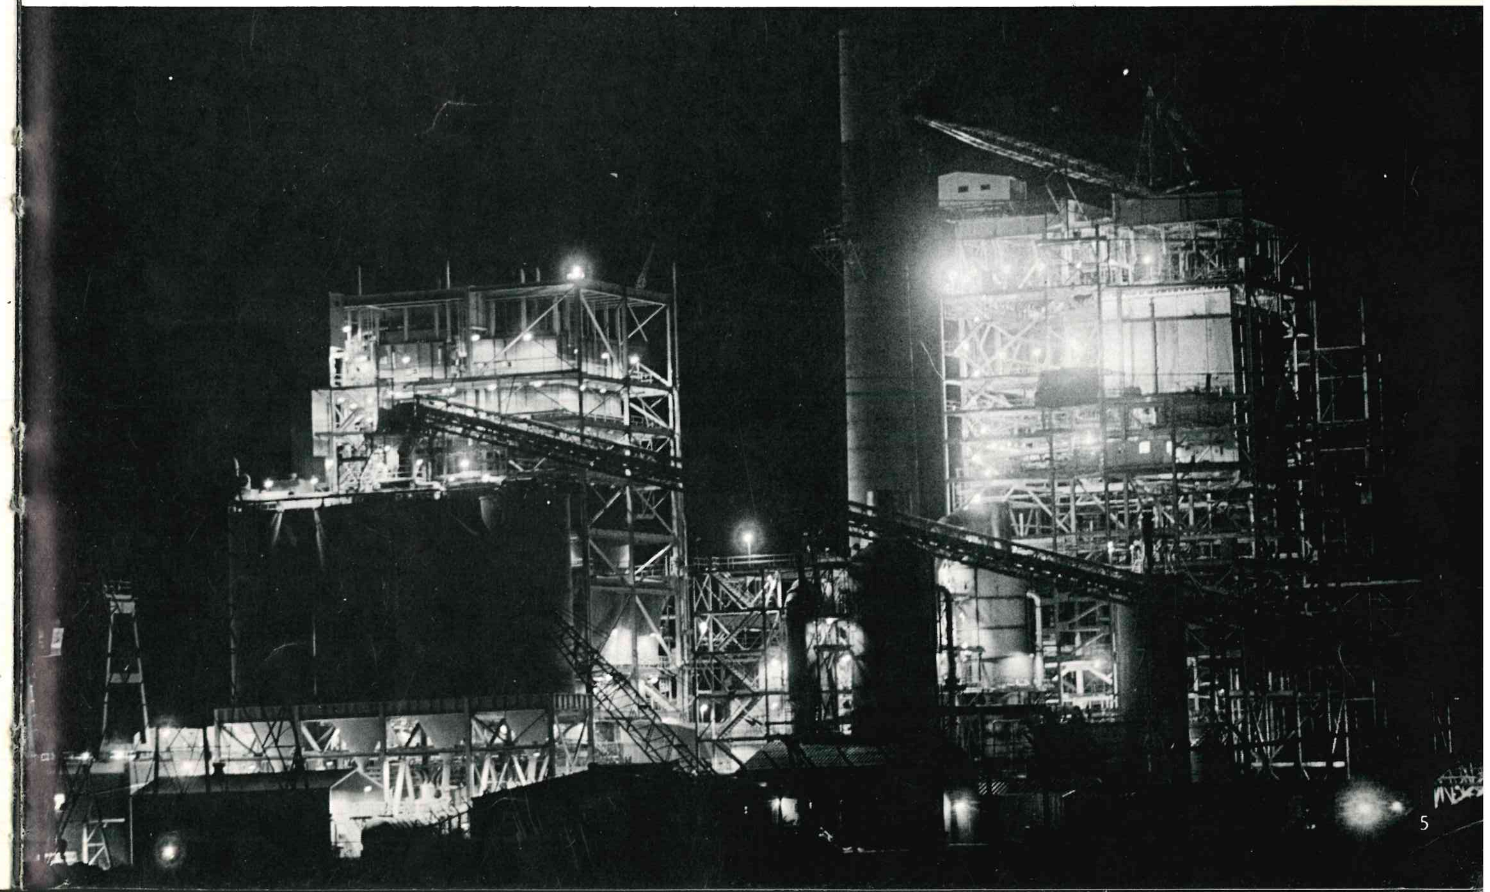


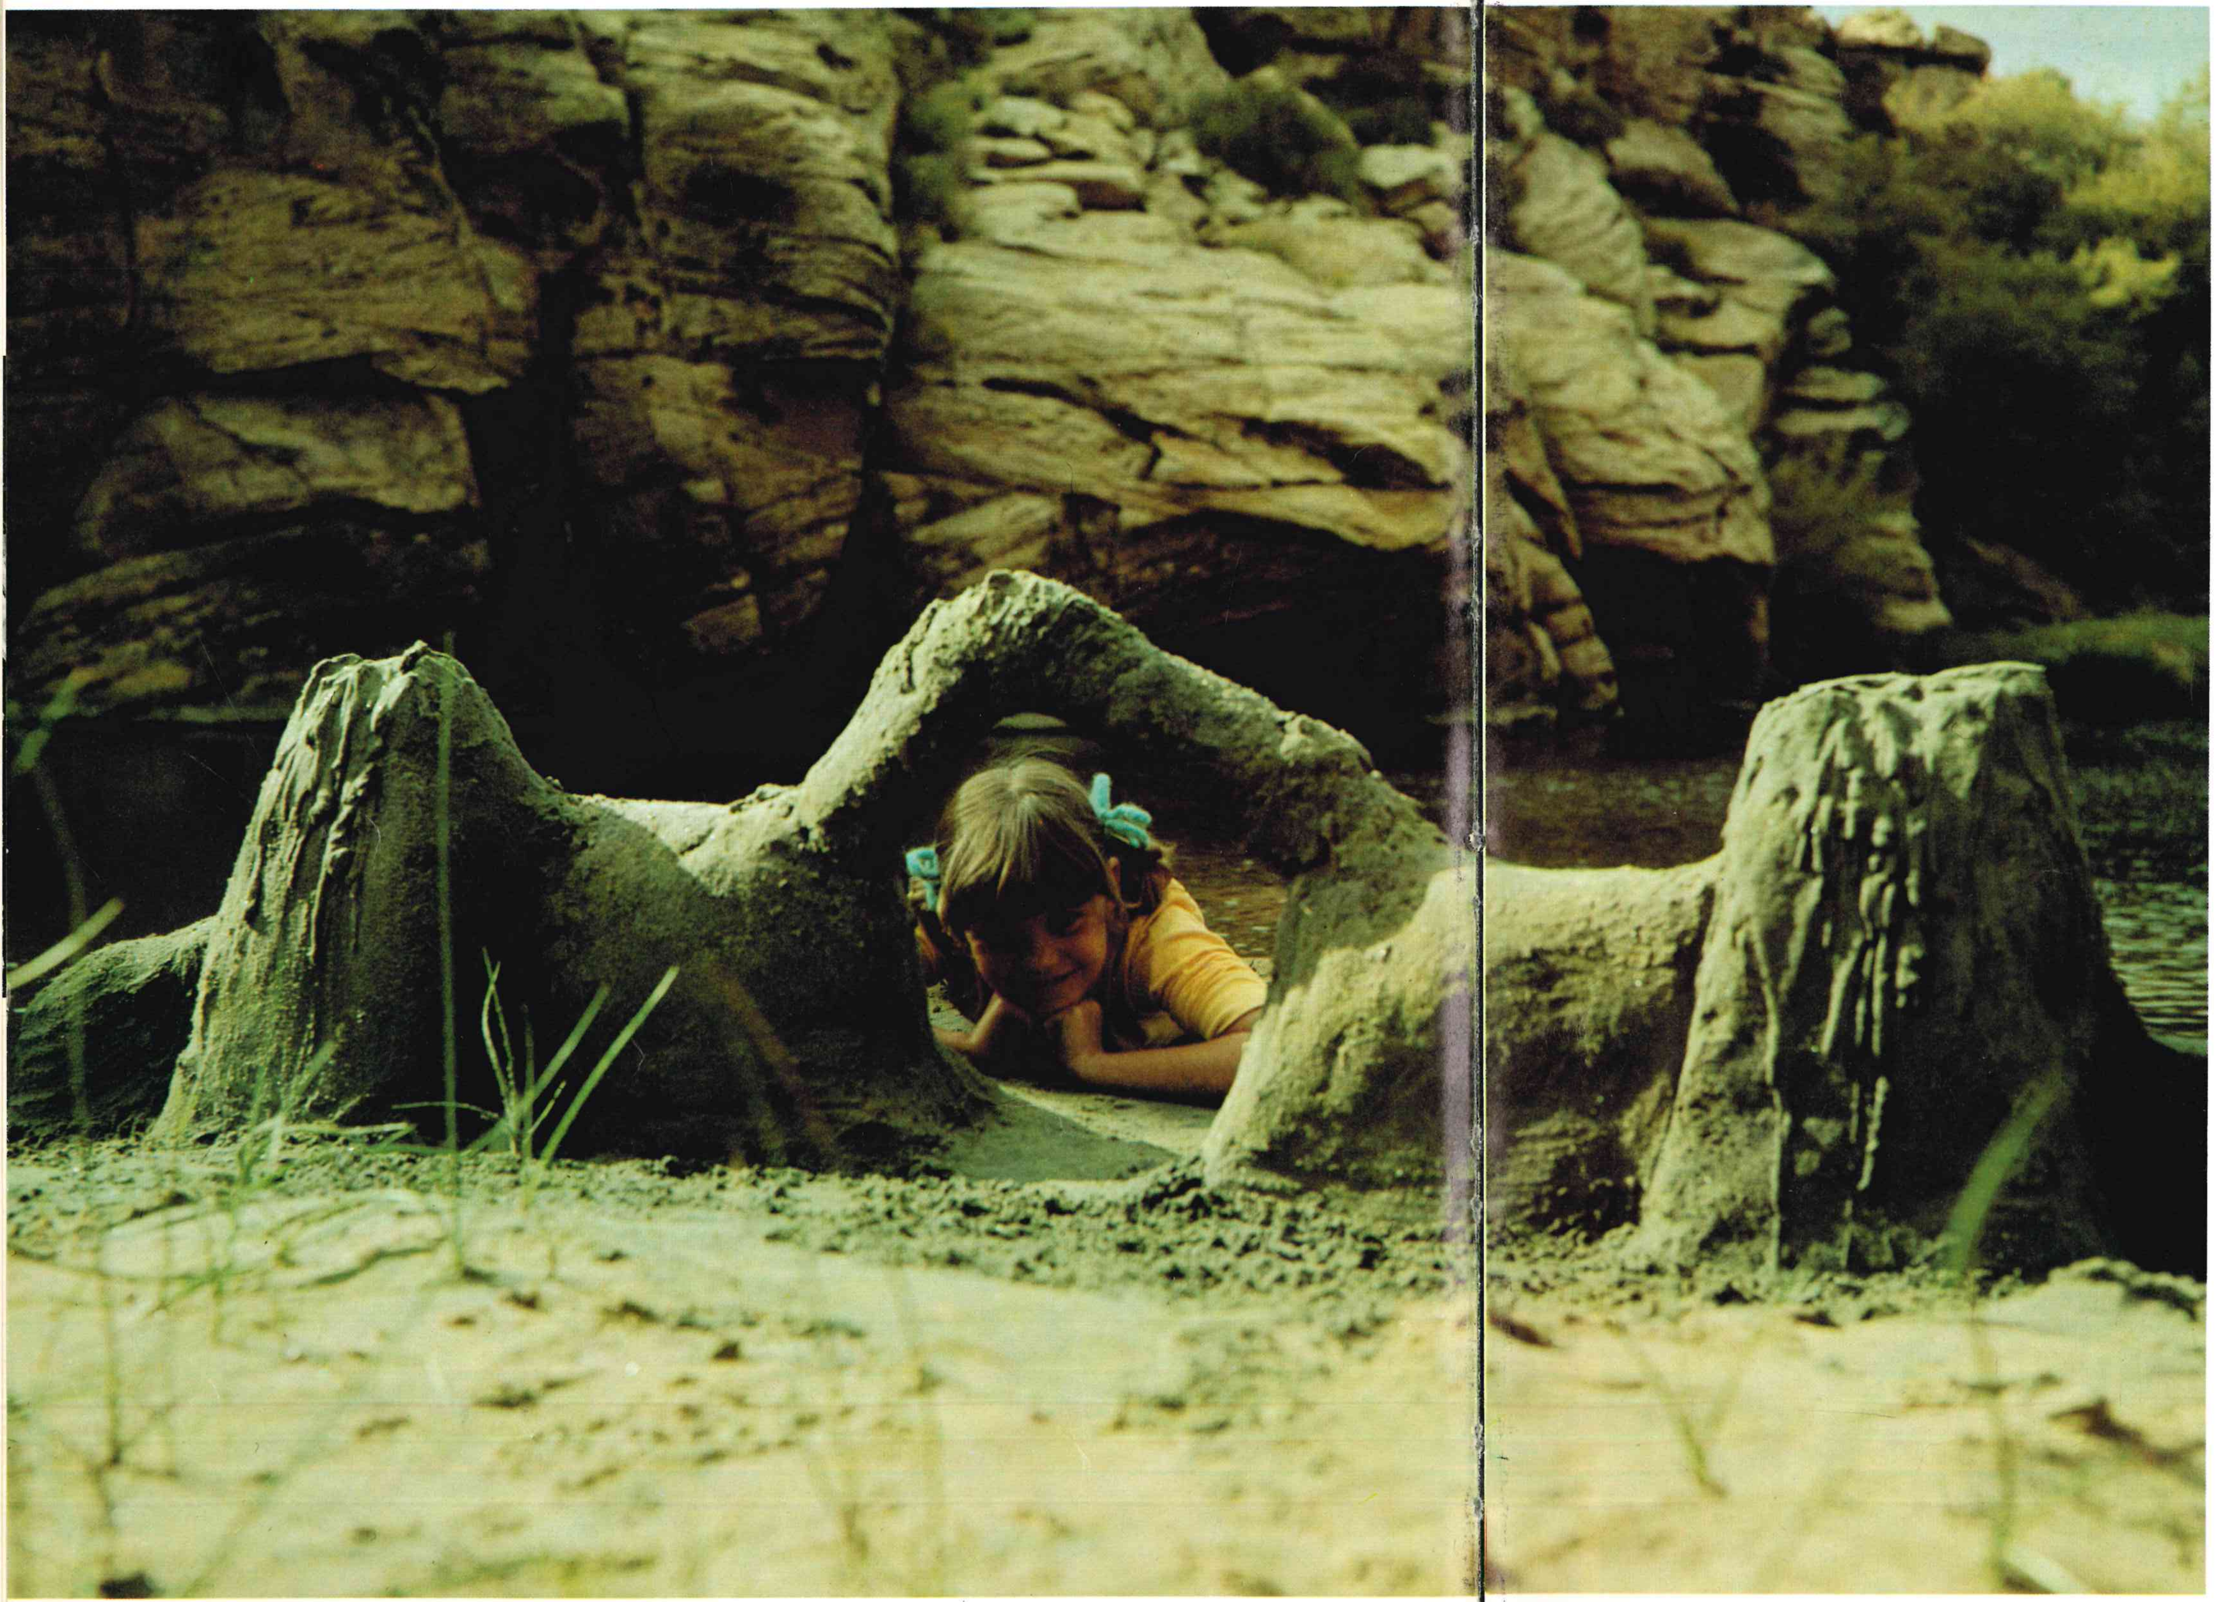
As the sands of time
Drift quickly by,
Grains of achievement intertwine
To form the arch of success.

Winds of criticism
Will blast your progression,
And storms of discouragement
Will oft appear as total destruction.



Cling to the elements within;
Withstand the damnable blasts;
Endure to the end and
Success will be yours at last.





Hope is dreaming,
Then scheming
Followed by ambition
And intestinal fortitude
To see it through.

Hope is learning from yesterday,
Living today,
Looking at tomorrow,
And making each one better.

The construction of the Joseph City Football Team began late in the summer with great enthusiasm and lots of hard work. A lot of dedication was shown by the team and coaches. The season proved to be a long, tough one with Joseph City meeting some fine strong teams. However, continued effort by the team led to the final victory over rival, Mayer High School.

This years basketball season had many good points. The school record was broken this year. We scored 104 points against Grand Canyon. The lowest score of our opponent (Fredonia) in a game was 27 points. We also had 28 offensive rebounds in our game with Valley.

Our players really put out an effort and came up with some good accomplishments. Such as, Kevin Baldwin intercepted 7 passes in one game. He also held the record this season for 53 intercepted passes. Kyle Baldwin also did his part with the record of 87 individual offensive rebounds. Coach Darrington should be very proud of his team!

Matmen Place 2nd at District

Joseph City Matmen did exceptionally well this year as they ended up with an undefeated dual meet record of 8-0-1. They placed 1st at Parker Invitational, 2nd at Williams Invitational, 2nd at B North District, and took B North Competition. At State Sam O'Connell went all the way to take the No. 1 spot, with Wayne Solomon 2nd, Tracy Young 3rd, Alan Bennett 4th. Coach Alford comments: "The 74-75 wrestling season was a banner year for the Wildcats both in dual meet competition and tournament competition. The Wildcat team compiled an 8-0-1 undefeated dual meet season to be named B-North Conference Champions. The Wildcat team placed first or second place in every tournament with the exception of the State tournament where they placed fifth. The stage has been prepared and set for a 1976 State Championship Wrestling Team."

Our deepest thanks to Coach Alford and Coach Olsen.

The 1975 baseball team was the first boys team from Joseph City to compete in a state tourament. The Wildcats earned a trip to the state tournament by finishing second in conference with a 7-3 record. Overall the team won 11 games and lost 10 for a successful season. The Wildcats lost their game in the state tournament to the eventual state champion Maricopa 10-3 despite playing a very fine game. The team was very young with seven freshmen and seven sophomores comprising a majority of the team. Although four seniors will be lost next year, the future is indeed bright for the baseball nine. Ten lettermen will return next year including the top two pitchers and all but one of the top hitters. Three Wildcats were named to the All Conference team: Bret Fish, Allen Bushman, and Barry Hunt.

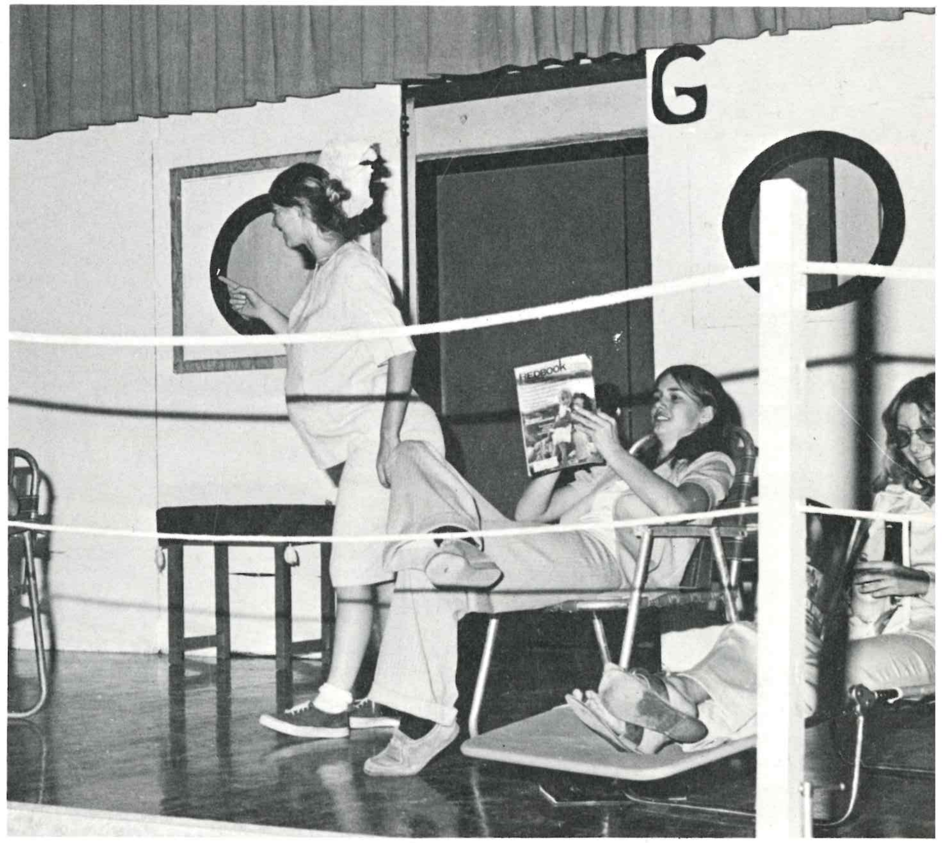
Senior Class members built and decorated the set. Mr. Duane Jones did a capable job as director and special thanks goes again to Mrs. Carol Shelley for her help with Make-up.



Trouble began when old fashioned Miss Hannah (Teddi Baird) acted as chaperone to four boy crazy teen-aged girls on an ocean cruise. Miss Hannah was surely not going to allow this lively quartet to do anything as unseemly as going to a dance with..... BOYS. Things became even more complicated when Mr. Van Cleve (William Rogers), a government agent carrying secret papers that were in high demand for your good ole home town spy, entered the scene. Spinster Hannah became a self-appointed, self-styled body guard-detective with her mission to protect Mr. Van Cleve, Her interference caused confusion and chaos. All turned out well, however, when the girls went to the dance, the spy was captured, and the secret papers were saved.

The Spirit Builders of "74-75"!

The cheerleaders have been working very hard since they went to cheerleading camp this summer to build up the spirit of the Joseph City Wildcat fans. They have done a very fine job and it can be even better next year if they can have all the support of Joseph City behind them.

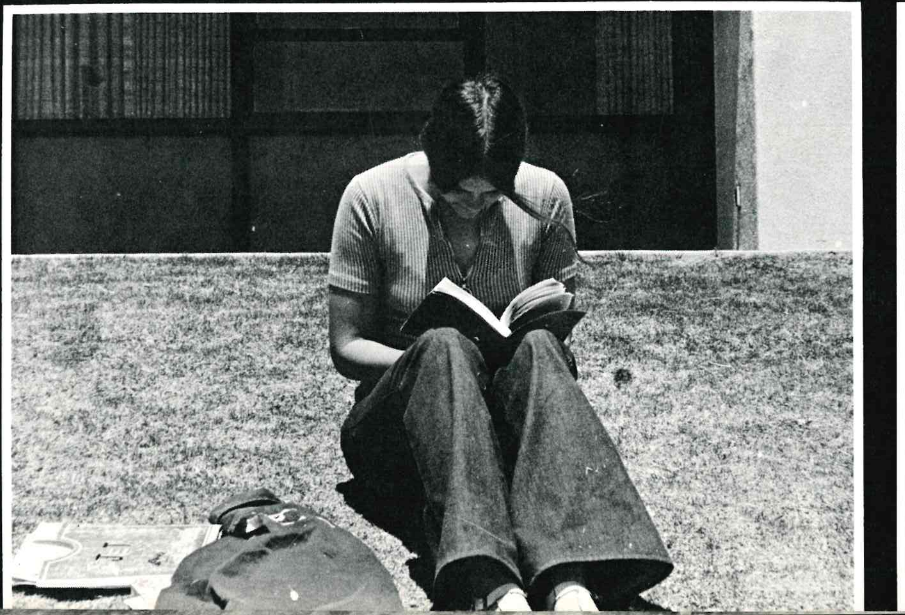
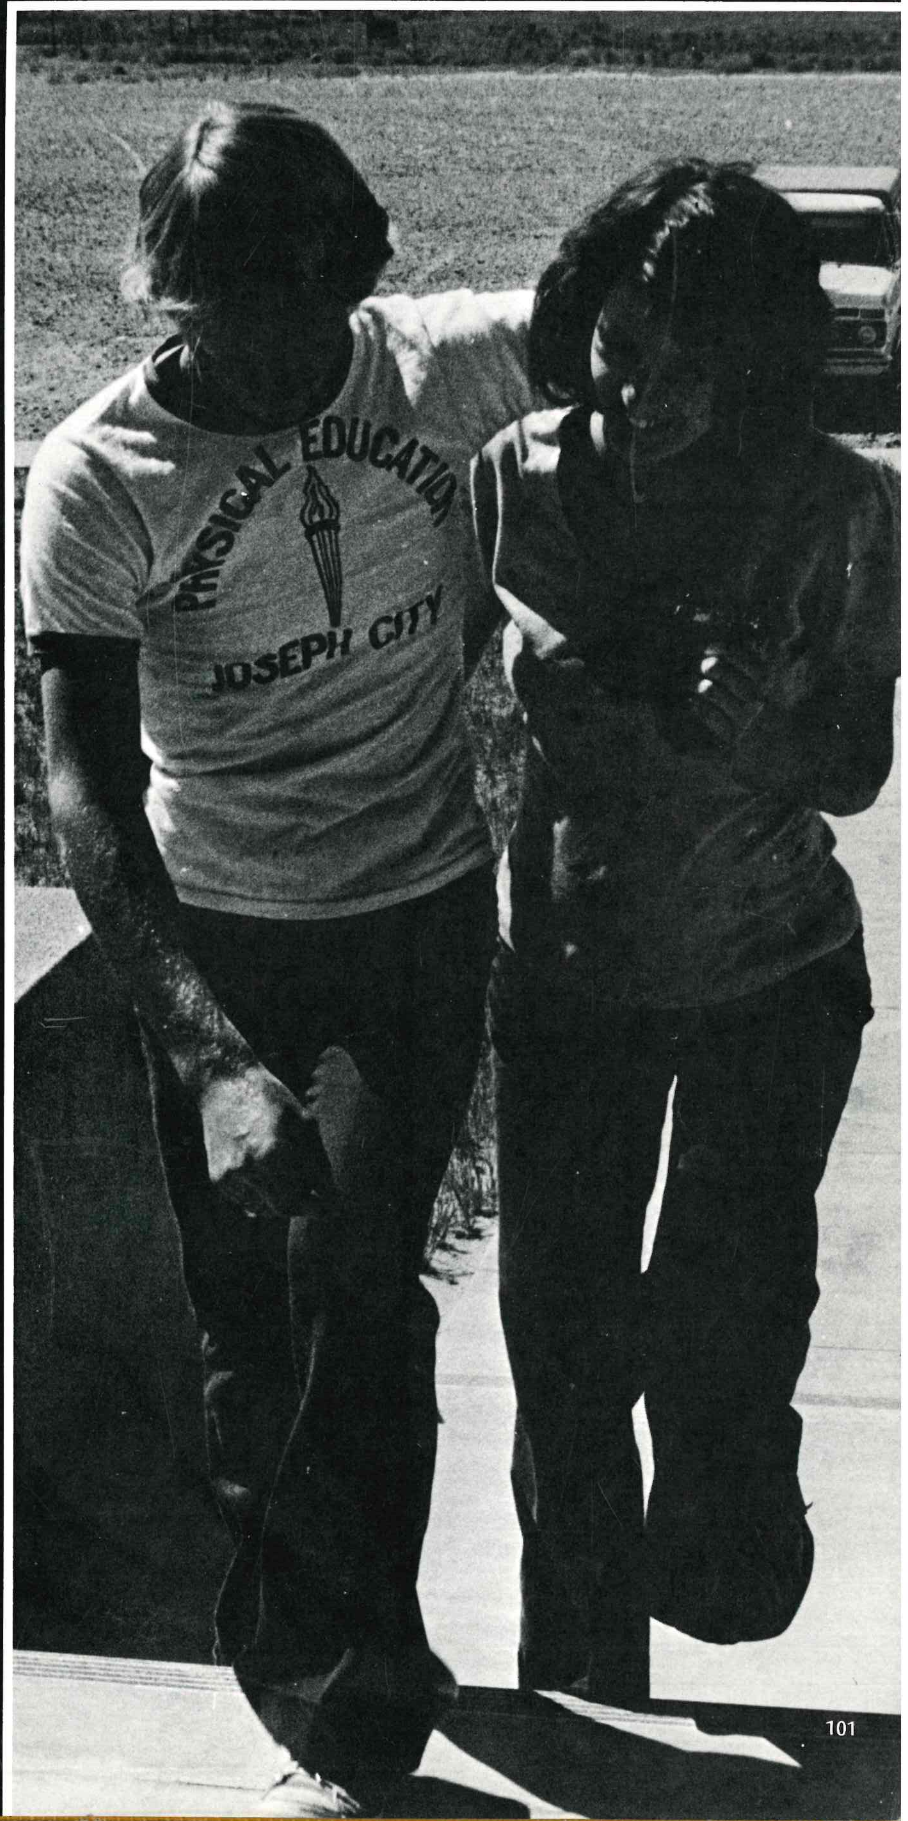
THE BRIDGE BUILDER

An old man going a lone highway
Came at the evening, cold and gray,
To a chasm vast and deep and wide.
The old man crossed in the twilight dim,
The sudden stream had no fear for him;
But he turned when safe on the other side
And built a bridge to span the tide.
"Old man," said a fellow pilgrim near,
"You are wasting your strength with building here
Your journey will end with the ending day,
You never again will pass this way;
You've crossed the chasm deep and wide,
Why build you this bridge at eventide?"
The builder lifted his old gray head,
"Good friend, in the path I have come," he said . . .





"There followeth after me today
A youth, whose feet must pass this way;
This chasm, that has been hard for me,
To that fair-haired youth may a pitfall be;
He too must cross in the twilight dim--
Good friend, I am building this bridge for him."
--Dromgoole.
